Dated 4th June 1953.

To

The Firms dealing in Hardware.

Enquiry No. 11648.

Subject:—2" G. I. Pipe

Gentlemen,

No. S.P.C. 10589-628. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 percent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for 2" G. I. Pipe" with the above enquiry number.

This enquiry will be closed on the 23rd June 1953.

SCHEDULE.

Enquiry No. 11654.

Autoclave.

Gentlemen,

No. S.P.C. 10926-955. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for "Autoclave" with the above enquiry number.

This enquiry will be closed on the 29th June 1953.

SCHEDULE.

		Quantity	Price quoted f.o.r.
1	Autoclave electrically heated. The boiler is of heavy brazed copper, tinned inside, the cover of polished gun metal. The body is made with an internally projecting rim and an oval shaped top aperture. Below the rim a lid is fitted to which the cover is held in position by means of a central hand screw. When the pressure inside the autoclave rises, the lid is forced against the internal rim, making a tight joint. The cover is counterpoised and swivelled to pressures up to 3 atmospheres, tested to 10 per cent overload. Inside dimensions depth diam. 18" × 10".	ONE	Bangalore.

Note.—1. Quotations with firm prices will be preferred.
2. Sales-tax, if any, should be quoted separately.
3. Quotations may be sent in duplicate.
4. Quotations will be opened at 2 P.M. on the next working day after the closing date.
